---

**Purpose:** To establish certain rules regarding personal property.

*Be it resolved by the Board of Directors of the Dunn Loring Village Homeowners Association that:*

Personal property may not be kept (stored overnight) on any portion of a townhouse lot except in the rear area. Violators will be requested, in writing, to correct the problem. If the problem is not corrected, the Association shall impose a \$25 fine on the property owner for the violation. If the problem is left uncorrected, additional monetary fines shall continue until the problem is corrected, with fines not to exceed \$25 per week. These fines shall become an assessment against the property and shall be subject to the same delinquency procedures as an ordinary assessment.
